

"STAND BY ME" By BEN E. King 1961
TAB FOR NATIVE AMERICAN flute by CS

The image shows a handwritten musical score for a Native American flute, organized into a 5x10 grid of flute diagrams. Each diagram is a vertical rectangle with a pointed top, a small square at the top, and five circles representing finger holes. The diagrams are arranged in five rows and ten columns. The notation includes several circled numbers and brackets:

- Row 1:** A circled '1' is above the first five diagrams. A purple bracket spans from the top of the fifth diagram down to the top of the second diagram in the second row.
- Row 2:** A circled '2' is above the second diagram. A purple bracket spans from the top of the second diagram down to the top of the third diagram in the third row. A circled '3' is above the seventh diagram. A purple bracket spans from the top of the seventh diagram down to the top of the eighth diagram in the third row.
- Row 3:** A circled '4' is above the third diagram. A green vertical bar with a dot is drawn over the third diagram. The word 'REPEAT' is written in blue above the fourth diagram.
- Row 4:** A purple bracket spans from the top of the first diagram down to the top of the fourth diagram in the fifth row. A purple scribble covers the fifth and sixth diagrams in this row.
- Row 5:** A blue bracket spans from the top of the second diagram down to the top of the eighth diagram in the sixth row. A circled '2' is written above the second diagram.
